NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226, on

THURSDAY, MAY 16, 2019 AT 6:15 PM

to consider the request of Pogoda Companies to amend Article XVII, District Map No. 40 of the 1984 Detroit City Code, Chapter 61, Zoning, by showing a B4 (General Business District) zoning classification where an M4 (Intensive Industrial District) zoning classification and an R5 (Major Business District) zoning classification currently exists on property at 15999 Joy Road and a portion of 15801 Joy Road, generally located on the south side of Joy Road east of St. Mary's Street containing 3.34 acres. The location of the proposed rezoning is indicated as the highlighted area on the accompanying map.

The proposed map amendment is being requested to develop the presently vacant land into a self-storage facility/public storage house.

The pertinent zoning district classifications are described as follows:

R5 MEDIUM DENSITY RESIDENTIAL DISTRICT

This district is designed to provide for a range of residential development from the single-family detached dwelling to medium-density multiple-family dwellings. The primary use in this district will be the rental apartment structure. In addition to permitted residential uses, certain specified non-residential uses which can be properly blended into this district may be permitted.

B4 GENERAL BUSINESS DISTRICT

The B4 General Business District provides for business and commercial uses of a thoroughfare-oriented nature. In addition to these uses, other businesses, which may benefit by drawing part of their clientele from passing traffic are permitted. Additional uses, which may be successfully blended with permitted by-right uses, are conditional.

M4 INTENSIVE INDUSTRIAL DISTRICT

This district will permit uses which are usually objectionable and, therefore, the district is rarely, if ever, located adjacent to residential districts. A broad range of uses is permitted in this district. New residences are prohibited with the exception of loft conversions of existing buildings and of residential uses combined in structures with permitted

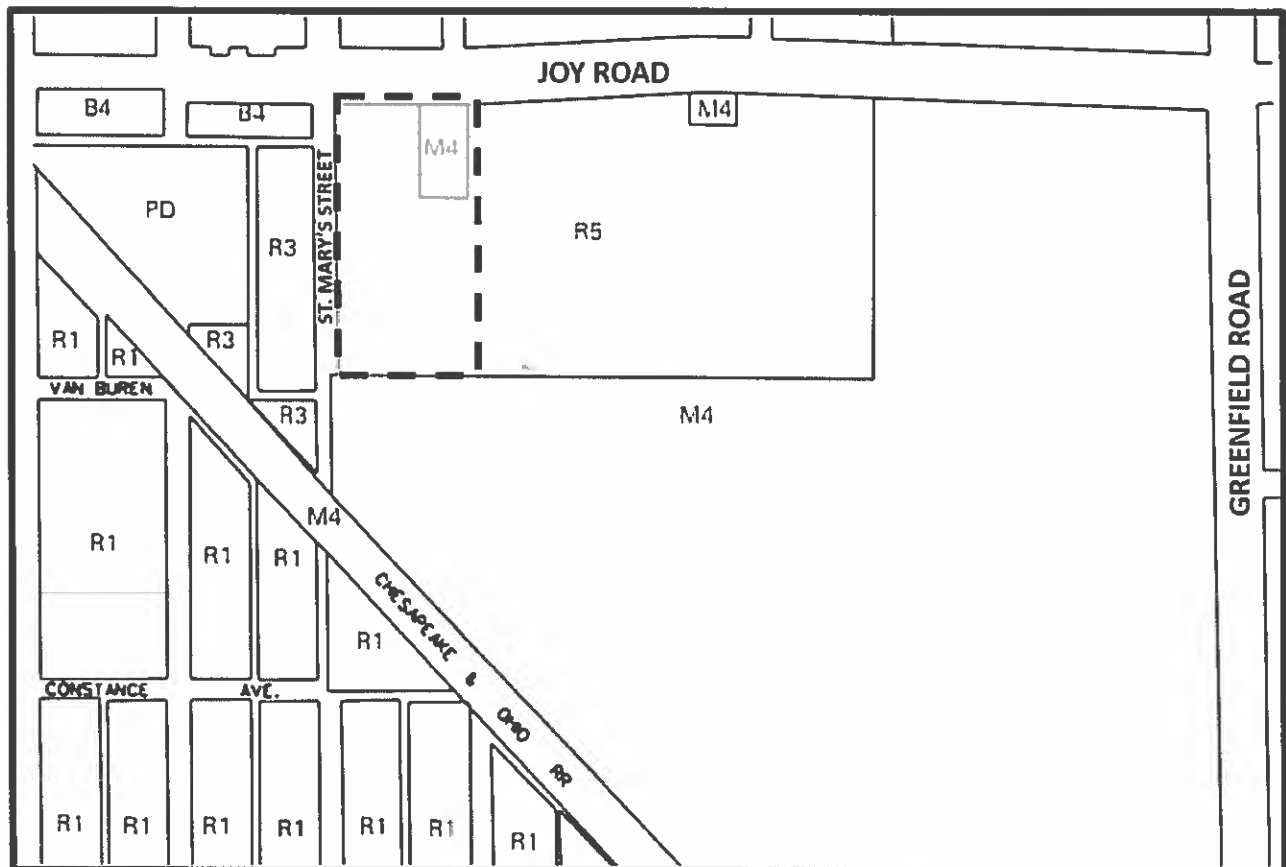

commercial uses. These requirements are to protect residences from an undesirable environment and to ensure reservation of adequate areas for industrial development.

A Zoning Ordinance map amendment requires approval of the City Council after a public hearing and after receipt of a report and recommendation by the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Division 3 of Chapter 61 of the 1984 Detroit City Code, the Detroit Zoning Ordinance.
